Highlights of November: We had a lovely Remembrance Day ceremony in the gym. Our class played Amazing Grace along with the Bells & Whistles Choir. Our Intermediate Girls volley-ball team traveled up to Gainsborough School and won the Championship game! The boys also made it to the Championships but placed 2nd overall! Great job intermediate teams! The junior season is still going on, but the teams have played very well so far! We have also been looking at a specific artist this month. Picasso!! We have studied his art, and we are now working on making our very own Picasso creations! They look FABULOUS so far!

Our challenge to you: We have put an error in here on purpose. Can you find it??? Come and tell us when you do.
