Our Goals To Start The Month

 Math: to review what we have learned.

 Literacy: to read and write something every day.

 Behaviour: to create a Rights & Responsibilities Chart for our classroom.

Needs

☀ Pencil case with pens, pencils & erasers (these items tend to go missing quickly when they aren't kept in a pencil case!)

☀ One binder, subject dividers & lined paper

☀ Markers or pencil crayons

☀ Geometry set

☀ Glue stick

☀ Calculator

☀ Ruler

☀ \$5 for School Agenda

☀ Gym clothes for Day 3, 5, 8, 10

☀ Extra tennis balls for chair legs

☀ Mug or cup for Tea Time!

Communication

We have a shared desire to make this year successful for your child. It is **so** important to keep

the lines of communication open between home and school! Using the Agenda is a great way to communicate. Please check and initial the Agenda every day. At the back of the Agenda is the Netiquette Form that needs to be read, signed and returned.

Literacy

Our overall focus this year will be on improving *comprehension*, *accuracy*, *fluency* and expanding *vocabulary*.

Our first read-aloud book is “Candles” by Lynne Kositsky. Our first Newsletter challenge is to find out something about this author.

Math

We'll be starting with Place Value and Order of Operations. You can help your child by asking and talking about the Math that is being done every day at school.

Looking Forward To . . .

★ **Sept. 9:** Lincoln County Fair

★ **Sept. 15:** Magazine Kick-Off

Sept. 21: BBQ and Open House

Sept. 23: Early Release Day
